

J-Works™/MC
Tempest™/MC
Solvent-Free
Cleaner/
Degreaser

High alkaline, solvent-free degreaser for industrial and food processing applications.

Versatile

- Recommended for removing a variety of soils including food soils, lubricating oils and greases, metal working fluids, shop dirt, inks, food based soils and rubber

Powerful

- Cuts through tough greases and soils found in food processing areas and manufacturing facilities
 - Contains no VOC
-

Use Directions

- Hot tank and steam cleaning: 1:32 with hot water (180° F/80° C).

Mopping, Spraying or Sponge Cleaning

- 1:10 to 1:20 for heavy soils. For heavy soil loads, allow solution to penetrate soil for 3–5 minutes.
- 1:20 to 1:64 for medium soils.
- 1:64 to 1:128 for light soils.
- Automatic scrubbing machine: up to 1:128 depending on soil level.
- High Pressure Vehicle Washing: 1:32.

Special Handling

- Always wear appropriate personal protective equipment.
- For food plant and other industrial use.
- For painted surfaces, pretest in an inconspicuous area.
- Avoid contamination of food in the application and storage of the product.
- Before using this product in food processing establishments, food products and packaging materials must be removed from the area or carefully protected. After using this product, all surfaces in the area must be thoroughly rinsed with potable water.
- When using on floors, position wet floor signs around area to be cleaned. Floors will be slippery when wet or contaminated with foreign materials. Promptly clean up spills and foreign materials.

Materials Compatibility

- Aluminum, black iron, bronze, chrome, concrete, rubber, plastic, stainless steel, painted surfaces and porcelain.

Product Specifications

Description	
Certification	NSF, CFIA
Color/Form	Green liquid
Flash Point	>200° F (93.4° C)
pH	12.85 (Concentrate) 12.42 (Use Dilution)
Scent	Surfactant
Shelf Life	2 years
Specific Gravity	1.07

Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use, and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at www.sealedair.com or by calling 888 352 2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up to date shipping information.
