

J-Works™/MC Strata™/MC

Non-Butyl Cleaner/
Degreaser

Heavy-duty, premium-solvent degreaser for industrial cleaning applications.

Versatile

- Recommended to remove greases, oils, shop dirt and food based soils

Powerful

- Cuts through tough lubricating oils and greases, metal working fluids and shop dirt found in manufacturing facilities

Use Directions

- Apply with an automatic floor machine or rotary scrubber,
- mop, brush, sponge or sprayer.
- For heavy soil loads, allow solution to penetrate soil for
- 3–5 minutes.
- Rinsing is not necessary for normal cleaning applications.

Use Dilution

- Light Soil: 1:64 to 1:128.
- Medium Soil: 1:20 to 1:64.
- Heavy Soil: 1:5 to 1:20.

Use Dilution (Command Center™/MC and RTD®)

- Light Soil: 1:200.
- Medium Soil: 1:64 or 1:100.
- Heavy Soil: 1:12.

Special Handling

- Always wear appropriate personal protective equipment.
- For food plant and other industrial use.
- Before using this product in food processing establishments, food products and packaging materials must be removed from the area or carefully protected. After using this product, all surfaces in the area must be thoroughly rinsed with potable water.
- For painted surfaces, pretest in an inconspicuous area.
- Do not use on aluminum or glass surfaces.
- Persons who experience respiratory irritation from this product should increase local ventilation (open windows or doors and use exhaust fan). If respiratory irritation persists, discontinue use.
- When cleaning floors, position wet-floor signs around area to be cleaned. Floors will be slippery when wet or contaminated with foreign materials. Promptly clean up spills and foreign materials.

Materials Compatibility

- Concrete, most painted surfaces, stainless steel, plastics and rubber.

Product Specifications

Description	
Color/Form	Purple liquid
Flash Point	>200° F (93.4° C)
pH	12.5 (Concentrate) 11.85 (Use Dilution)
Scent	Solvent
Shelf Life	2 years
Specific Gravity	1.031

Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use, and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at www.sealedair.com or by calling 888 352 2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up to date shipping information.
