STINGRAY

The Ultimate Indoor Cleaning Tool

For the past 50 years, Unger has created the tools professionals trust to clean and maintain facilities across the globe. We continue to innovate to enable faster, safer and more efficient window cleaning tools to enhance your cleaning experience and provide value to the services you offer your customers. The Stingray window cleaning tools are lightweight and easy to use, putting less strain on users and resulting in faster, more efficient cleaning.

Heights made safer: each Stingray extension pole has a button to activate the cleaning solution and can reach to 18 feet.
