

Unlock your hidden potential

Tork recessed solutions to upgrade your stainless-steel restroom dispensers

Unlock a better experience for your guests

Improved one-at-a-time™ dispensing and high quality refills provide a better and more hygienic experience for your guests.

Unlock hidden savings

Tork recessed towel solutions reduce consumption. Tork Coreless bath tissue solutions have more than twice the capacity of standard toilet tissue rolls. Tork PeakServe Adapters can increase cabinet capacity by up to 40%. This means lower maintenance costs and refilling time is cut in half.

Unlock smarter ways of working for your staff

Less storage
Fewer refills
Less waste

Tork Vision Cleaning*

Tork PeakServe® Recessed Adapters are compatible with Tork Vision Cleaning - a cloud-based service that collects real-time data empowering your staff to clean when and where needed to reduce unnecessary dispenser checks and wasted time.

*Tork Vision Cleaning was formerly known as Tork EasyCube®

Transformation without renovation

Tork® helps you unlock the hidden potential in your recessed and stainless steel dispensers.

Customers evaluate your business based on their restroom experience. Tork recessed solutions offer a cost-effective way to increase capacity and improve dispensing. It's easy to upgrade, with no expensive renovations or downtime required.
