

TACKLE DIRT & GRIME NO MATTER THE SURFACE

Diversey Gum Remover (DVY95628817)

An effective solution to removing chewing gum and candle wax from surfaces like tables, chairs, carpets, and upholstery. This product freezes the gum to release the adhesion.

P&G Disinfecting Floor Cleaner (PGD50142)

A one-step cleaner, disinfectant, and deodorizer that is effective against a broad range of bacteria. A neutral pH formula with fungicidal elements stops the growth of mold and mildew.

Clorox Bio Stain Disinfectant (CLO31910)

A bleach-free stain and odor eliminator that uses hydrogen peroxide to kill germs found in human & animal soils. Tackles even the hardest messes on hard and soft surfaces.

Spartan Damp Mop (SNC3016-1)

A no-rinse floor cleaner concentrate designed to minimize the labor that goes into daily floor maintenance. Quickly removes dirt and soils without leaving behind a residue to diminish the shine.
