## Synthetic Gloss Restorer

Vinyl Tiles  
Linoleum  
Terrazzo  
Quarry Tile

### FEATURES

- Highly concentrated
- Improves traction
- Cleans & restores
- Extends the floor finish life cycle

### BENEFITS

- Low end use cost
- Less exposure to slip and falls
- Ultimate wet look shine with one time and labor saving step

### SPECIFICATIONS

**Color:**  
Milky emulsion

**Odor:**  
Low

**Dilution:**  
1:16 - 1:30

**Non-volatile Solids:**  
10.0 + 0.5%

**pH:**  
8.4 – 9.0

**Dry/Recoat Time:**  
45 minutes min.

**Slip Resistance:**  
0.5 min. by ASTM-D2047

**Durability:**  
Excellent

**Buffability:**  
Spray buffing or high speed buffing

**Detergent Resistance:**  
Excellent

**VOC Content:**  
0.18 lbs./gal.

**Storage/Stability:**  
1 year

**Weight Per Gallon:**  
8.40 lbs./gal.

**Freeze/Thaw Stability:**  
Keep from freezing

This product is an ideal companion for any environmentally preferable floor care program. Meets today's need for a product that contains no zinc or other heavy metals that can be harmful to wastewater treatment systems. Regular use of this product keeps floors looking great day after day. A special proprietary mix of acrylic polymers and surfactants will bond to the surface of the floor to create an anti-slip surface, while reducing the negative impact conventional floor care products have on our environment. The use of this product in an automatic scrubber is highly recommended, and is the most productive way to maintain your floors. This product is to be used on any floor that has a finish or protectant down as a base coating.

### DIRECTIONS

**FOR MOP-ON RESTORING:** Remove surface dirt from the floor by dust mopping or vacuuming. Dilute concentrate 1 to 8 with water and apply an even coat with a clean finish mop or applicator. Allow restorer to dry thoroughly. The surface will have a hazy appearance. Buff or burnish to restore to the original gloss of the finish.

**FOR AUTOMATIC SCRUBBERS:** Dust mop or sweep thoroughly. Dilute concentrate 4 oz. per gallon of water and apply with a medium flow. Allow surface to dry thoroughly. Buff or burnish to clean and restore the floor to its original gloss.
