NICHOLS

YOU FIRST

Nichols is Here to Help you achieve your goal of providing a confidently clean and healthy environment to everyone who enters your building.

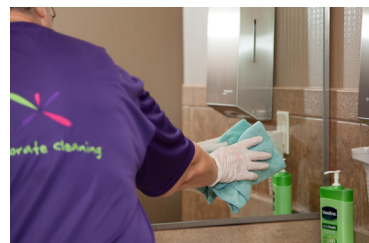

These select products, paired with our #BetterTogether signage, CMI Certification training, and aPRO360 will help you achieve your goals.

Non-Ammoniated Glass Cleaner

Penetrate dust, grease, soil and smoke on all windows and other glass surfaces.

Spray and wipe glass cleaning. Apply a fine mist with an atomizing sprayer to surface. Dry and polish with a soft microfiber cloth. Best results can be obtained by using two microfiber cloths. One for drying and one for polishing.

Part Number	Quantity	Dispenser Use	Gallon Yield per Bottle	Dilution	pH
NIC350-80	2/80 oz./CS	Quart Bottle	41	1:64	8.5 – 9.0

Fresh Neutral Disinfectant

Great cleaning power and fresh scent. Neutral Disinfectant & Detergent. Cleans, disinfects, and deodorizes most hard surfaces in one step. Hospital grade.

Use for cleaning & disinfection Frequently Touched Objects (FTOs): door handles, table tops, phones, railings, etc. Allow proper dwell time to ensure disinfection.

Part Number	Quantity	Dispenser Use	Gallon Yield per Bottle	Dilution	pH	EPA Registration Number
NIC406-80	2/80 oz./CS	Quart Bottle & Large Container	161	1:256	7.0	10324-141-16924

Premium Neutral Floor Cleaner

Optically enhanced neutral floor cleaner designed for daily use. Dissolves ice melt and hard water films without leaving a soap haze.

Use daily for hard floor care cleaning. Can be used in Autoscrubber or in standard mopping applications.

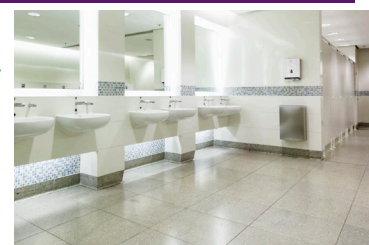

Part Number	Quantity	Dispenser Use	Gallon Yield per Bottle	Dilution	pH
NIC315-80	2/80 oz./CS	Large Container	161	1:256	7.0-7.5

Non-Acid Disinfectant Bathroom Cleaner

Great cleaning power and fresh scent leaves facility restrooms clean and germ free in one step.

Use for almost all hard restroom surfaces such as toilets, sinks, counter tops, urinals and partitions. Allow proper dwell time to ensure disinfection.

Part Number	Quantity	Dispenser Use	Gallon Yield per Bottle	Dilution	pH	EPA Registration Number
NIC412-80	2/80 oz./CS	Quart Bottle & Large Container	41	1:64	8.0-8.5	10324-93-16924

NICHOLS

YOU FIRST

Washing your hands is a great way to avoid the spread of germs. During times of high infection rates, it is important to wash your hands after touching frequently touched objects and before touching your eyes, nose and mouth.

It is important to remember that hand sanitizer is NOT a substitution for hand washing. Hand sanitizer should be used when hand washing is not available.

Purell Professional Healthy Soap ES8

Mild formulation removes over 99% of dirt and germs without antibacterial ingredients or harsh preservatives. CLEAN RELEASE™ Technology reaches into skin's cracks and crevices two times better than regular soap to remove dirt and germs.

Touch-free hand soap dispenser with energy-on-the-refill: each refill comes with a coin cell battery integrated into the refill. AT-A-GLANCE™ refills provide the easiest way to see when refills need to be changed. SANITARY SEALED™ PET refill bottle with tear-off collar for easy recycling.

Part Number	Size	Case Pack
GOI7771-02	1200mL	2
GOI7734-01	1200mL Dispenser	1

Purell Hand Sanitizer Foam ES8

This advanced foam hand sanitizer formulation kills 99.99% of most common germs that may cause illness. Enhanced with unique skin conditioners to maintain skin health.

Touch-free hand sanitizer dispenser with energy-on-the-refill: each refill comes with a coin cell battery integrated into the refill. AT-A-GLANCE™ refills provide the easiest way to see when refills need to be changed. SANITARY SEALED™ PET refill bottle with tear-off collar for easy recycling.
