

STAY CLEAN & HEALTHY THIS SPRING!

Hygen Microfiber Dusting Mitt [RDCQ652GR]

The dusting power of a microfiber cloth in the convenient mitten shape for easier wiping of crevices and irregular surfaces. The double-sided capabilities allow for an easier clean.

Vinyl Powder-Free Gloves [NET75463]

For the jobs and messes that require a degree of separation, these gloves are here to help. Made from a material stronger than polyethylene, vinyl gloves offer greater durability and protection.

Lysol Disinfecting Wipes [DVYCB771822]

These premoistened wipes remove 99.99% of viruses and bacteria on surfaces, including COVID-19. 3X stronger than a paper towel and can be used on electronics and remotes.

Dust Mop/Dust Cloth Treatment [SNC6099-12]

For when your mop needs a helping hand, this ready-to-use spray helps pick up dust, lint, and soils to reduce the wear on floor finishes. Safe to use on most hard surfaces.
